Dear Christ Church Family,

We hope that you all are staying well.

This is, to be sure, probably one of the weirdest Holy Weeks in living memory. We are still streaming our services this week, as follows:

Thursday, April 9, 7:00pm - Maundy Thursday

[Subscribe](#)[Past Issues](#)[Translate ▼](#)*(sunset - and yes, that is when we will begin!)*

Sunday, April 12, 10:00am - Easter Sunday

12:00pm - Easter Sunday, Campus Ministry Worship

More information and bulletins will follow soon, including more explicit instructions on how you might prepare what is partially described below.

Like the Palm Sunday liturgy, these liturgies we only do once a year have been adapted to be interactive from home. Part of that will be preparing a space that will be making something like a home altar - a special designated space that might usually be pretty busy - a breakfast nook, the one shelf you shove everything onto when you're not sure where else to put it, a table, that sort of thing.

We will use this in many ways, including sitting vigil as we would at the Altar of Repose. Though it is not going to be the same as being together for this watch, we can still join together from our own homes to keep watch at our own altars.

To that end, we are still asking people to sign up so that we have a collective watch all night. You can do that by following [this link](#). Please sign up for a time slot - the idea is to have a continuous watch all night.

As mentioned earlier, more information will be sent out soon. Peace to you all as you move through Holy Week.
